CUTTING-EDGE ADVANCEMENTS

technology

Engineered for life

EvoPools isn't just about design; it's about trust. Families can rest assured knowing every pool manufactured by EvoPools reflects proven performance, leading-edge engineering and a legacy of excellence. From the world's most breathtaking wonders to the moments that matter most at home, EvoPools transforms the backyard into a destination, designed for connection, built to endure and refined to stand the test of time.

DESIGNED TO DAZZLE

AquaGuard® X

Gelcoat Color System

The sparkling gelcoat coating on a the surface of a composite fiberglass swimming pool should do more than please the eye; it should inspire confidence and certainty.

That's why EvoPools utilize the **AquaGuard® X Gelcoat Color System**, available in eight vibrant, nature-inspired finishes. Originally engineered to withstand Australia's harsh sun, this advanced gelcoat is formulated for vibrant beauty that resists fading year after year.

From deep ocean blues to shimmering lagoon tones, every finish is crafted for visual impact, longevity and protection.

With **AquaGuard® X**, families don't just get a color—they get a finish engineered to perform as beautifully as it looks.

INSPIRED BY NATURE, BUILT FOR LIFE

Vipoxy®

Vinyl Ester Resin

Every swimming pool from **EvoPools** begins with a foundation of strength. Constructed with 100% **ViPoxy® Vinyl Ester Resin**, every swimming pool manufactured by **EvoPools** delivers unmatched durability.

Unlike conventional polyester resins, **ViPoxy** offers superior *flexural* and *tensile strength*, producing pool shells that are less prone to stress cracking and less sensitive to environmental conditions. The molecular structure of Vipoxy minimizes open cavities, reducing water entrapment within the laminate.

The use of these advanced material set **EvoPools** apart by protecting against *osmosis* and ensuring your pool remains as resilient as the iconic landmarks they represent. **EvoPools** are engineered with **ViPoxy** because your family deserves a pool that stands strong season after season.

WHERE NATURE MEETS PRECISION

quality control

Stringent Benchmark Standards

EvoPools embody the might of Everest, the resilience of the Amazon, and the brilliance of the Aurora—but inspiration alone isn’t enough. Every pool we build undergoes one of the industry’s most rigorous quality-control processes, ensuring performance and beauty in every detail.

Beginning with the precision inverse molds constructed by hand from our master carpenters, continuing through our environmentally controlled facility where expert laminators fortify the structure in adherence to benchmarked standards and culminating with a buff and polish detailing of the interior surfaces. Throughout, each EvoPool passes through more than 100 inspection stages, scrutinized for accuracy, consistency and flawless presentation.

The result is excellence you can see, touch and trust.

PROTECTION TO MATCH YOUR INVESTMENT

lifetime warranty

Confidence should last as long as the memories you’ll make. That’s why our pools are backed by the industry’s strongest protection: the **Lifetime Structural Warranty** and **Lifetime Structural Osmosis Warranty**, plus a **10-Year Gelcoat Warranty** to cover the structure and surface of your pool—

This commitment ensures peace of mind that matches the beauty of your pool. With *EvoPools*, you’re not just purchasing a pool—you’re securing a legacy of craftsmanship, durability and trust that will be there for every moment that matters.
